

## PSALM 82

**G**od established, His mighty state; governs alongside, the magistrates.

- 2 How can you judge, perverse with sin; seeking the face, of evil men? (Pause)
- 3 Judge the needy, orphans too; give to destitute, their righteous due.
- 4 Cause to escape, the beggared weak; from wicked hands, now snatch them free.
- 5 Unknowing they, the dark way take; all earth's foundations, slip and shake.
- 6 I've called you "gods," who reign as kings; all of you sons, of God Supreme.
- 7 You'll truly die, as Adam did; fall as the chiefest, among men.
- 8 Rise up O God, the earth command; for You distribute, all the lands.
